

New Parish Councillor: Rachel Weaver

The Parish Council are pleased to introduce our latest recruit, Rachel Weaver.

Rachel has lived in the parish all her life and works on her family's farm. She is looking forward to building her future here and being part of the community. Rachel has joined the Parish Council because she cares about the area she has grown up in and wants to play a part in its future. Living and working locally, she can see how decisions affect the community, and is keen to help make sure they reflect the needs of residents.

Saving our PCSO

Dodcott cum Wilksley Parish Council joined other Parish councils and our local Ward Councillor to voice our concerns to the Police Crime Commissioner about Cheshire Constabulary's proposal to cut the number of Police Community Support Officers (PCSO's) from 87 officers to just 27 across the County.

As a result of objections, 30 PCSO posts have been saved. The Parish Council is, therefore, pleased to announce that our local PCSO, Nick Jarvis, will remain in post. Nick is a valuable asset to policing the rural communities, offering support to many community groups and initiatives.

In non-emergency situations, Nick can be contacted by dialling 101 and leaving a message, or you can email direct:
Nicholas.jarvis@cheshire.police.uk

Coming Soon!

The Parish Council is currently working on a new user friendly Parish Council website which we hope to have up and running by the Summer. This should make it easier for local residents to access Parish Council records as well as information about any forthcoming events being held in the local community.
